Mr Haywood Cozart  
Holly Springs N.C.

Dear Cozart:

Well I just received your card. We had started to wonder what had happened to you. The men have been stragling into camp. We played The Homestead Grays in Washington Sunday and didnt have nearly all the team, so we got beat a doubleheader.

Now Cozart what I am writing to ask you is, if I find a place for you and your wife and the two babies to stay, will you come up. If I find some place, and promise the people you will be a roomer, and you dont come, I will have to pay the rent anyway. So please write me right away, and tell me. You can send me a telegram, and tell the telegraph people I will pay for it when it gets here. This is because the mails are so slow.

We are playing The Homestead Grays in Norfolk May the 10th and 11th. If you would come up now we could let you get your family on that trip. It would save the expence of paying room rent for the family in Newark, while you are in training camp in Trenton. We will be in camp until the 9th of May, and the 11th is only 2 days later. You can go to Raleigh and get them then. That would really be much better, if you will agree to do that. I told you in the letter, the team is training at Dunn Field Trenton N.J. and their headquarters is The Citizens Club, 228 N. Willow St. in care of Dory Larrimore. Please let me hear from you right away, so I will know what to do.

Very Truly Yours
